Ingree his weakes.

If some of my young men shall get into misshes, I shall then have nower enough to get heem out of their troubles. I will be very heapy if you give me the power to get them out of their troubles. I wish that my direct yet along the whites. I wish that my direct y should never ask me assess in his hattles. I mean, to fighting other people, and with other nations. I have made up people, and with other nations. I have made up my mind not to have any trumbe with the whites, and the shall have the right them. We have only one enemy, the choose, to ight our name they fight, whonever we choose, to ight our name of the shall like to have an aneyor to the demands I have made."

like to have an answer to the demands I have made. "
The Commissioner than stafed that nearly all their demands would be samplied with that the fresident had paid them a great deal more for their sands than they were worth, but that he proposed to pay them a great deal more, and that he proposed to pay them a great deal more, and that he proposed to sand them home with their heart glad. That the Fresident wished them to observe peace with the sand them to be removed a great distance from them. Several ad the other Chiefs made short speeches, in which they preferred friendship, and expressed themselves pleased at the provisions of the new treaty, but wished a copy of its or that they might seem the staff of the server of the people. They were particularly urgent to obtain people. They were particularly urgent to obtain the proposed of the second proprised for their speeces, or the stop of a proprised for their speeces. The second promised them up the Commissioner, and they then algreed the treaty, ending certain lands, and agreeing to live in perpetual friendship with the whites.

LEVY COURT.—This court met yesterday in the Aldermen's Chamber, in the City Hall. All the members present.

Ca motion of hir. Bowen, it was resolved that Ca motion of hir. Bowen, it was resolved that the Aldermey for this court be requested to report the Aldermey for this court be requested to report the Aldermey of this court be requested to report the Aldermen's as presented, where the continuous of the Company by the charter thereof, and whether such conditions and all the requirements of said charter have been compiled with by a side company, and whether the said company has violated the charter, and if so, in what manner, also, whether said turnpike is now in the condition required by the law.

and whether the said company has riciated the charter, and if so, in what manner; also, whether said turapike is now in the condition required by The Chair laid before the court is letter from Mr. Tobias Boudinot accepting the office of Superintendent of Highways.

A communication from Mr. Uterments on the white of the Washington and hockwille Turapike Company was received and laid on the table. The Chair laid before the court a report of the Ulerk, showing an investory of all the personni lendent for the use of the dierk, showing an investory of all the personni closed of the table. The Chair laid before the court a report of the clork, showing an investory of all the personni lendent for the use of the court of the personni closed in the table of the second.

The monthly accounted by Nichols, Superincer, was presented and ordered to be paid.

Col. Belt submitted resolutions; which were read, amended, and adopted, as follows:

Jecobed, That there may be appointed in each shool district in the county of Washington, two the stoors increased of one as heretolere, and that the stoor increased of the salested for the surface of the superincendent to designate this specific read and park of roade in which each shall have jurisdiction sad in which he hall have supervisors as he may from time to the designation in competent or unwelly.

Resolved, That the supervisors as he may from time to time deem incompetent or unwelly.

Resolved, That the supervisors as he may from time to time down in recompetent or unwelly.

Resolved, That the supervisors as he may from time to time down in competent or unwelly.

Resolved, That the supervisors as he may from time to time down in recompetent or unwelly.

Resolved, That the supervisors as he may from time to time down in recompetent or unwelly.

and that he invite the so-operation of the author-titles of Georgelow in a such examination, and re-port on the first Monday in June an estimate of the cost of the same.

On motion of Mr. Blagdon, it was
Resolved, That the sum of sixty dollars, or as much thereof as may be necessary, be appropriated to the repair of the washes made by the late rains on the Piney Branch road, on each side of, and mear said branch. nates hereof as any he accessary, be appropriated to the regard of the weales made by the late rains on the Finey Branch road, on each side of, and of motion of Mr. Finant, it was discoved, That it is expedient that the new road laid out from the old Blademburg road by Mrs. Bath's farm, through Mr. Queen's and Mr. Miller's land to the District line, be so altered from the celegial survey as to avoid the crock made in crossing Bear Branch, and shall be made as now scheduled by the late Super-intendent of Boads, and that the Burveyer be districted to run the line therein indicated mater the rested to run the line therein indicated mater the rested to run the line therein indicated more than son, and return such plat to this court; provided that this Treasurer shall not pay for said plat more than \$10.

On motion of Mr. Flant, it was also Resolved, that the surveyor of the sounty of Washington, D. C., be and he is hereby instructed to stone the new road between the northwest and suithwest to the countries of the Barry fattin, known as the Silckmasker a pist of the same and present it to the court sore than \$10.

The shapt last before the court a letter from the

make a pist of the same shall not cost more than \$10.

The shall had before the court a letter from the the relative of Wile, sectoding as account for re-tice relative to the sectoding as account for re-lative to the sectod of the sectod of the Roache. The account was referred to the Com-mittee on Claims and the letter was laid on the

mittee on Claims and the letter was laid on the table.

Mr. Burr, from the Committies on improvements, to which was referred the letter of Pierce Shoemaker, reporting the destruction of the foot-bridge over Mock Creek, east alis mill, reported the following resolution:

Resolved, That \$100, or as much thereof as may be necessary, be appropriated for repairing the committee of the second of t

The following are the bids and bidden: Root, M. Green, \$55,000.07; Chas. Carmans, \$43,70; David Gordon, \$45,000.07; Chas. Carmans, \$43,70; David Gordon, \$45,000.07; John Murphy, \$97,001.7; Reventer, \$56,000.

On a STRIKE.—At 1 o'clock posterday Bor-ten & Co.'s employees struck for El per day, and just work, much to the surprise of the agent, who as an unusual number o' boats at the wharves testrous of discharging their cargoes.

INCENDIARY FIRE.—At half past three o'clock his morning a fire was discovered by Officer Fineys and Robinson to the large brick uncertified assume on Potomas street, opposite May a Robinson to the lower Mills was unclosefully the work of as a case didary, but the wightant officers discovered it as time to save the property. The house belongs o George Hill, jr.

ALEXANDRIA NEWS.

WE TAKE the subjoined news from the State Journal of the 10th Inst.:

Fire Last Night.—A fire broke outlast night about two o'clock in a house on Feyton street, owned by Mrs. Mankin. Although the steam fire engine and the Sins engine were promptly on the ground and dig good service, yet Mrs. Mankin's property, consisting of two brink houses, two bake houses and a long shad, were entirely consumed. There was at long the shad were the state of the lose is about the property consumed, was in great danger, and it was by the utmost exertions of the first companies that the was saved. The Friendship engine was not present at the fire, from the fact that she is undergoning repairs.

Contrabands,—We are informed by a reliable goatieman that the condition of the contrabands in this city is such as to produce a contagion on the first advent of warm weather. Will not the military authorities investigate the matter? Convolegace!—We were pleased this morning to see Mr. W. D. Massey, our worthy postmaster, again at his office, after a long an absence from Property for condemnation under the confiscation act, are advertised in our paper of to-day. The property for condemnation under the confiscation act, are advertised in our paper of to-day. The hearing and disposition of cases under this set.

Settle U.s.—We are requested by the U. S. Marshal to state that all purchasers at the reseat sales of confiscated property should come forward at one and actic thorir bills.

Set Police.—The proprietors of the steamer on the "opposition," and have reduced the fare to its cents.

Set Police.—The new Folice have donned a badge with the interription "Millitary Folice." We trust with the first plane.

in the "opposition," and are reasonable to be deed.

New Police.—The new Police have donned a badge with the inseription "Military Police." We trust his new force may do the small amount of service that is required of them in an effectual manner.

A Heavy Day's Wark.—On Friday last, Judge Uniterwood heard and entered decrees in some twenty cases under the confiscation law. This, we believe, is the largest day's work yet done by this court.

Amusements, Fond's New Treatre.—Mr. Forest plays "Othello" to-night, and of course the House will be growded to witness his grant delineation of the salous Moor. To-morrow (Wednesday) night, Mr. Bishoy's benefit is to take place, and he deserves a good one.

CANTREBURY MUSIC HALL,-Miss Mary

last time.

VARISTIES.—Another crowded house last night to see the great mammoth show. All the lovely lades were loudly scored, while the partenium of "Mora. Deshaunces: was received with great giec. This lands with great giec. This lands with great giec. The partenium of the private partenium is the private the private partenium feature.
